## THE DATA STREAM OF FAITH

SUNDAY, FEB. 3 · 2-4 P.M.

Jewish Federation of Tulsa  
2021 E. 71st St.

We live in a fractious, polarized universe. Experts will provide trends, data and demography on religious life in contemporary America from the agitated margins to the center.

In an era of angry extremism, does dialogue still have worth and value? Can people of faith come together face-to-face to talk honestly with each other about their similarities and differences?

## HIGH-TOUCH DIALOGUE FOR TODAY

Peace Academy

The brave new world of digital connectivity has now arrived. Can a photon express the love of God? Can a glowing screen be a place of holiness and shared experience?
