What do you do at Owasso Library?

I'm the teen library associate, so I do programming, outreach and reader's advisory for tweens and teens. I also do the preschool (ages 3-5) story times every Wednesday morning.

What's your favorite part about working there?

Helping people find what they need. Libraries have resources way beyond just books, and it's great that we can provide access to those things.

What's your favorite thing to do when you're not at work?

I love reading, writing, crocheting, going to concerts and traveling.

What's your most memorable moment on the job?

I promoted the summer reading program at several local elementary schools and told them all to come and say hi when singing up. On the first day, a little girl hugged me and said she'd seen me at her school and she was saying hi like I told her to.

Do you live in Owasso? Where are you from?

I live in Glenpool. I was born and have lived in and around Tulsa for most of my life.

Do you have a favorite food?

Big diner breakfasts. No one can make hash browns as perfectly as they do!

What's your favorite dessert?

Peanut butter and chocolate anything. Cookies, cheesecake, ice cream, candy – it's the perfect combination.

Pepsi or Coke? Why?

Neither! I don't drink soda if I can help it. Tea for me, please.

If you could travel anywhere for a vacation where would it be?

Machu Picchu is at the top of my bucket list. I love traveling and have gone to England, France, Switzerland, Germany, Ireland, Italy, Canada and Costa Rica, as well as all over the United States.

What is one thing you do for yourself every day?

Drink some hot tea and make a to-do list. It's a relaxing way to sort my thoughts and prioritize what

needs to get done.

Would you rather watch TV or read a book?

Read lots of books.

What's your favorite TV show or book? Movie?

Favorite book: "Jane Eyre" by Charlotte Bronte. Movie: "Inception."

What are three things you couldn't live without?

My bullet journal, computer and a nice pen.

Tell me about your family.

My husband Tyler and I got married in October after being together for seven years. My parents have also been married for 30 years. I have a younger sister and two younger brothers, and we are all very close. As far as pets go, we have an Airedale terrier named Molly and a bearded dragon named Barnum.

What's your favorite holiday?

Cousins Day. It isn't a real holiday; it's one my family made up that we use as an excuse to get together and eat themed food. One time it was just different pies, which was a lot of fun.

What's your favorite season?

Winter. I love the cold weather!

Do you have a unique or unusual talent?

I'm an avid crocheter. I'm always working on a new blanket, shawl, sweater, scarf, etc.

What's your guilty pleasure?

Marvel comics, movies and TV shows.

What are three words to describe yourself?

Curious, meticulous and passionate.
