

Information on Social Security

Gwen Latus from the Social Security Administration will visit five Tulsa City-County Library locations to help citizens manage and explore Social Security. This free program is open to teens and adults.

The new and improved service from the Social Security Administration provides detailed information about retirement, disability, Medicare, Supplemental Security Income applications and appeals. Individuals only can create an account using a own personal information and for their own exclusive use.

"My Social Security @ the Library!" events are scheduled for 1-4 p.m. at these libraries:

- Feb. 16, Rudisill Regional Library, 1520 N. Hartford Ave.
- Feb. 17, Central Library, Computer Lab, Fifth Street and Denver Avenue
