TULSA (KTUL) — The Tulsa City-County Library is recruiting for this year's "Teen Team" summer program.

It pairs teens with their local library branch for volunteer opportunities with the children's summer reading program.

Applications are being accepted through May 1 at the branch where students would like to volunteer.

Applicants should be between 13 and 15 years old and able to volunteer several hours a week at their community library. It's a perfect opportunity for those who enjoy libraries and want to gain work experience and organizational skills.

All volunteers will receive an official 2016 Teen Team T-shirt to wear during their shift and a certificate of achievement at the end of the summer.

For more information, visit your community library or call the AskUs Hotline at 918-549-7323.

An application can be downloaded [here](#).
