Several upcoming movies in theaters based on books

There are several movies that will be released in the last few weeks of 2015 that are based on books.

The library has copies of all of these titles for you to read before you go see the movie.

Secret in Their Eyes by Eduardo Sacheri

Benjamín Chaparro is a retired detective still obsessed by the brutal, decades-old rape and murder of a young married woman in her own bedroom. While attempting to write a book about the case, he revisits the details of the investigation. As he reaches into the past, Chaparro also recalls the beginning of his long, unrequited love for Irene Hornos, then just an intern, now a respected judge. The film adaptation will be released Nov. 20 and will star Chiwetel Ejifor, Nicole Kidman and Julia Roberts.

The Price of Salt by Patricia Highsmith

Trapped in a boring, dead-end day job in a department store, stage designer Therese Belivet finds her life forever changed when she encounters — and falls in love with — Carol Aird, an alluring suburban housewife in the midst of a divorce. The film adaptation, titled *Carol*, will be released Nov. 20 and stars Rooney Mara, Sarah Paulson and Cate Blanchett.

Frankenstein by Mary Shelley
Mary Shelley's classic story follows Victor Frankenstein as he discovers the secret of life and puts together a body using corpses. Horrified by the monster he's created, Frankenstein flees until the monster returns to him. The film adaptation retells the classic story from Igor's perspective and is titled *Victor Frankenstein*. It will be released Nov. 25 and stars Daniel Radcliffe and James McAvoy.

Room by Emma Donoghue
A 5-year-old narrates a story about his life growing up in a single room where his mother aims to protect him from the man who kidnapped

her when she was a teenager and has held her prisoner for seven years. The movie will be released Nov. 25 and stars Brie Larson and Jacob Tremblay.

The Danish Girl by David Ebershoff
"Inspired by the true story of Danish painter Einar Wegener and his California-born wife, this tender portrait of a marriage asks: what do you do when someone you love wants to change? It starts with a question, a simple favor asked of a husband by his wife on an afternoon chilled by the Baltic wind while both are painting in their studio. Her portrait model has cancelled; would he slip into a pair of women's shoes and stockings for a few moments so she can finish the painting on time? 'Of course,' he answers. 'Anything at all.' With that one of the most passionate and unusual love stories of the 20th century begins" — Publisher's description. The movie will be released Nov. 27 and stars Alicia Vikander, Amber Heard and Eddie Redmayne.

In the Heart of the Sea: The Tragedy of the Whaleship Essex by Nathaniel Philbrick

Recounts the story of the 1820 wreck of the whaleship Essex, which inspired Melville's classic "Moby-Dick," and describes its doomed crew's 90-day attempt to survive whale attacks and the elements on three tiny lifeboats. The film version, adapted and directed by Ron Howard, will be released Dec. 11 and stars Chris Hemsworth and Cillian Murphy.

The Revenant by Michael Punke
A story of survival on the American frontier chronicles the exploits of fur trapper Hugh Glass, who is attacked by a grizzly bear and left for dead by his fellow trappers, but survives and treks through the wilderness to seek justice. The movie, which releases Jan. 6, stars Leonardo DiCaprio and Tom Hardy.
