Owasso Branch Manager

Owasso Library offers free homework help after school

The Tulsa City-County Library system offers free homework help through an online database, Homework Help-Now, with a valid library card.

The database features live tutors from 2-11 pm. We have now expanded our homework help offering to include After-School Homework Clubs at several library locations, including Owasso.

There are two kinds of homework clubs: one-to-one tutoring sites and education activity centers.

One-to-One Homework sites include Hardesty, Martin, Maxwell Park, Nathan Hale, South Broken Arrow, Zar-row Regional libraries. Education Activity Center sites include Brookside, Collinsville, Jenks, Owasso, Rudisill Regional, and Suburban Acres libraries.

The Owasso Library has been selected as one of the locations to offer education based activities focusing on STE(A)M – Science, Technology, Engineering, (Arts) and Mathematics beginning Monday, Sept. 14.

The program will be offered every Monday through Friday from 3:30-5:30 p.m. throughout the school year.

Any student in third through eighth grade attending a public or charter school in any one of the Tulsa County

school districts may participate in a club.

Participation guidelines:

- Pre-registration is required to participate at any of the After-School Homework Clubs.

- To receive help in an ASHC One-to-One program, students must bring a homework assignment, books, and any supplies needed to work on or complete their assignment.

- Involvement in an ASHC Education Activity Center requires all pre-registered students to actively participate in the day's pre-set schedule of activities.

- Students are required to sign in when they arrive.

- Students and parents will periodically be asked to complete program surveys.

While students are in the ASHC, they will be under supervision of AmeriCorps Members and ASHC Staff and Volunteers.

Visit guides.tulsalibrary.org/home-workclub and click on "student registration" to register for a Homework Help club.

Please consider volunteering to help out with the clubs. More information about volunteering can be found on the website.
