Two local students won new bicycles as part of a summer reading program at the Pratt Library.

Lake Country Christian School second-grader Peityn Van Der Vliet, 8, said she already has a plan for her new bike.

"I'm going to give it to my friend," Van Der Vliet said. "I have two bikes."

She and Clyde Boyd Middle School eighth-grader Bethany Simms picked up their prizes at the Pratt Library at 3219 S. 113th W. Ave. Thursday from Sand Springs Area Women's Chamber of Commerce member Anna Healy and Sand Springs Area Women's

Chamber of Commerce Literacy Chair Mayme Crawford.

"I was excited," Simms said. "I'm going to ride it around."

Pratt Library Branch Manager Mark Carlson said the Tulsa City-County Library does a summer reading program each year and the Pratt Library has been doing a drawing in which participants get the opportunity to win a bicycle for eight years.

"We wanted something kids can use," Carlson said. "We're the only library in the area that does a tangible prize."

The Sand Springs Area Women's Chamber of Commerce provides the bicycles each year.
