Book Club Wants You!

Do you love to read and talk about books?

The Collinsville Book Discussion may be just the right thing for you.

We meet at noon on the second Tuesday of each month in the Collinsville Library. At our next meeting, Tuesday August 11th, we will discuss *Night Diver*, Elizabeth Lowell's tale of romantic suspense set among Caribbean treasure divers. Read the book and then join this fun group for a lively discussion. Copies of the book are available at the library's circulation desk.

What We're Reading

The Martian, by
Andy Weir

Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?
