## Fun and free summer activities for children

Are the children already saying they're bored? Make this the best summer ever with these fun activities.

1. Go to the library (of course). We have books, movies, music, a play area with toys, a summer reading program, and performances and activities for all ages. Stop by the library and pick up an event guide or visit [www.tulsalibrary.org/event-guide-print](http://www.tulsalibrary.org/event-guide-print) to view them online.
2. Check out e-books, audiobooks and music from the library. I taught my 7-year-old how to download e-books and audiobooks from overdrive and free music from Freegal. These are free services with a TCCL library card and you get to keep the music.
3. Learn to cook. The library has pamphlets listing all the local Farmer's Markets, where you can find fresh local ingredients. Check out any of the books in the series "Beyond the Basics for Kids Who Cook," such as "Cool Healthy Muffins" or "Cool Picnics and Road Food" for older kids.
4. Get creative. Philbrook Museum has free admission and kids' activities every second Saturday. Right now Philbrook has a display "exploring the book as art." Gilcrease Museum has free admission every third Sunday and first Tuesday. You can find books on artists and creating your own art at the library.
5. Dance and sing. Attend a free concert and explore new music. Stone Canyon in Owasso has a free Summer Concert Series in June. Visit [tulsalibrary.org/index](http://tulsalibrary.org/index) to access Freeding. Listen to new music genres with Freegal Streaming Music stations, available with your library card at [tulsalibrary.org/freegalmusic.com](http://tulsalibrary.org/freegalmusic.com).
6. Explore nature and find treasure. Try Geocaching: a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.
7. Visit a local fire station. Meet our brave firefighters and learn about how a fire station operates. You can find many books about firefighters at the library, such as "City Firefighters" by Meish Goldish, "Firefighter's Tools" by Anders Hanson, and "Firefighters help us" by Aaron Murray. Call your local fire station to plan your visit.
8. Learn new tricks. Come to the Owasso library Monday, June 22, at 1:30 p.m. or 2:30 p.m. to see the Vaudeville Magic Show with Chris Capstone. Learn how to perform your own magic tricks from library books such as "The Kids Guide to Magic Tricks" by Steve Charney and "Amazing Magic Tricks" by Norm Barnhart, available in beginner, master, and expert levels.

Show off your new skills with a magic performance for your friends and family. Visit any library or go to [www.tulsalibrary.org](http://www.tulsalibrary.org) for more information.
