# Library staff getting questions about taxes

**Tax Time**

The library staff has been answering lots of questions about taxes this year. Here's all the information you need:

**Federal Taxes**

Federal tax forms 1040, 1040EZ, and 1040A now are available at all Tulsa City-County Library locations, including the Owasso Library.

Unfortunately, libraries are not able to offer customers copies of the tax instruction booklets this year. Due to recent budget cuts, the large number of booklets not being used, and the prevalence of taxpayers using software to file taxes, the IRS will no longer be printing tax booklets and providing them to libraries.

Assistors will be answering questions from Monday-Saturday 9am to 9pm. Questions are answered in the order that they are received and responses are provided within 24 hours; more complex questions may require additional research.

Individuals who earn \$40,000 or less or Families whose income is \$50,000 or less.

At any Tulsa City-County Library location, you can use [www.myfreetaxes.com](http://www.myfreetaxes.com). My Free Taxes is an online Volunteer Income Tax Assistance site that provides free online Federal tax filing for individuals or families with a combined income under \$60,000 in 2014.

Assistors will be answering questions from Monday-Saturday 9am to 9pm. Questions are answered in the order that they are received and responses are provided within 24 hours; more complex questions may require additional research.

Taxpayers can access booklets online at [www.irs.gov](http://www.irs.gov) or by calling (800) 829-3676 to order a booklet.

**State Taxes**

The Oklahoma Tax Commission no longer provides forms or instructions to libraries or other organizations. Forms can be accessed online at [www.tax.ok.gov](http://www.tax.ok.gov).

**At the Library**

We have made in-house copies of the federal instruction booklets, which are about 70 pages, available at copiers in the library.

You also can print pages from the instruction booklet on library computers. The cost for copying or printing is 10 cents per page.

Additional information on state and federal taxes is available on the library's tax guide at [guides.tulsalibrary.org/taxes](http://guides.tulsalibrary.org/taxes).

Here you also will find a list of frequently used forms, information about earned
