Skiatook Journal **25**

Check out new Universal Class offerings

By **Michelle Beckes**
 Manager
 Skiatook Library

We've talked about Universal Class in a few articles during the past year, but we wanted to make sure that you are aware that the Skiatook Library now has copies of the Fall 2014 course catalog available for you to pick up. They are located in our lobby and tucked inside copies of the Tulsa Book Review.

All courses offered through this free service, provided by the Tulsa City-County Library, are available to you 24/7 via our website, www.tulsalibrary.org. You will need a library card to access the database and we would be glad to get you set up with a card if you do not currently have one.

If it's been a while since you have used your card we can make sure your information is up-to-date and show you how to access the database. Here is a small sample of some of the courses offered by Universal Class:

- Accounting & Bookkeeping 101 for Everyone
- Budgeting and Saving 101

The Skiatook school district's activity center now bears a new name — that of the late John Brooks Walton Jr., longtime teacher and mentor at the high school. Mr. Walton passed away several months ago and the Board of Education decided to honor his memory. The activity center is now officially the Brooks Walton Activity Center.
