## Families build Marble Runs at Owasso Library

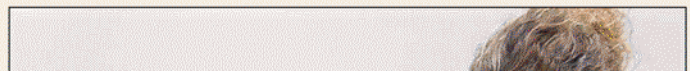

SUBMITTED PHOTOS

Families at the Owasso Library worked together to build a marble run out of recycled materials, such as cardboard boxes, cardboard tubes and plastic bottles. The idea was to drop the marble into the top of the structure and watch it roll down through different levels to the bottom. The library provided popcorn and lemonade for the families to enjoy while they created their marble runs.

Aiden Hood shows off his completed marble run made of cardboard and blue duct tape.

Keelie Hamm helps her children, Bryant and Mevaeh, build their marble run.
