## OPD, OFD respond to roll-over accident on U.S. 20

By Rick Heaton  
Associate Editor  
rickh@owassoreporter.com

At 1:30 p.m. Friday, June 6, the Owasso Police and Fire department responded to a head-on, roll-over accident near the intersection of 145th East Avenue and U.S. 20 northeast of Owasso.

Emergency crews extricated victims trapped in a rolled over vehicle, and tended to others injured in the crash, including three juvenile children.

Police initially closed down U.S. 20 to eastbound traffic while emergency vehicles transported at least six victims to Owasso and Tulsa hospitals, and wreckers moved the vehicles off the highway.

The vehicles involved were a 2011 Chevy Colorado and a 2004 Chevy Blazer.

SUBMITTED PHOTO

At least six victims of last Friday's two-vehicle accident on U.S. 20 went to the hospital. Three of the victims were juveniles.

According to witnesses, one vehicle was attempting to turn from westbound

U.S. 20 onto 145th East Avenue when it was struck by the other eastbound

vehicle.

The cause of the collision is under investigation.

BALL

## Ball graduates basic training

From Staff Reports  
news@owassoreporter.com

Air Force Airman Charles A. Ball graduated from basic military training at Joint Base San Antonio-Lackland, San Antonio, Texas.

cal fitness, and basic warfare principles and skills.

Airmen who complete basic training earn four credits toward an associate in applied science degree through the Community College of the Air Force.

### LIBRARY CORNER

## Manager retires with celebration, reading program continues

It's hard to believe 23 years have gone by while I've loved working here at the Owasso Library.

I'm retiring and Monday, June 30 will be my last day. My wonderful staff is having a party for me at 2-4 p.m. Friday, June 20. I'm looking forward to seeing many of our customers, many whom I've gotten to know through the years. So come celebrate with me.

At 1:30-2:15 p.m. and 2:30-3:15 p.m. Monday, June 16, our program will be "Fizz, Boom, Read with Wacky Science." This program is for children ages 5-12. Find out how wacky science can be sometimes.

At 6 p.m. Monday, July 16, we'll have another program "Draw with Rich."

All three age groups can collect their prizes that day if the participants have finished the reading program. Children need to have four visits and have read eight books to get a medal and food/fun coupons. If they've read 20 books, they can get the bonus award, the really awesome light stick. School age children

prize drawing for them. Adults can pick up their Panera coupon for a free bagel if they've read four books. There's also a drawing for bigger prizes for adults. But there's still plenty of time to participate in the reading programs. They don't end until Aug. 2.

**ADULT FICTION**

*History of the Rain* by Niall Williams — Although bedridden, Ruthie Swain is trying to find her father through stories and generations of family history in County Clare, Ireland.

*The Gordian Knot Undone* by Valerie Benzley — Jess Stranahan has spent the last 20 years trying to keep her past buried, but it all falls apart when her mother who murdered Jess' father and several other people is released from prison and comes to live at Jess' home. Mystery.

*A Circle of Wives* by Alice LaPlante — Dr. John Taylor is a respected reconstructive surgeon and family

to be his wife. Detective Samantha Adams has her hands full with this case.

**TWEEN FICTION**

*Welcome to Dog Beach* by Lisa Greenwald — Eleven-year-old Remy loves the traditions of Seagate, the island where her family spends every summer vacation, but after her grandmother and a special dog dies, and her relationships with best friends Bennett and Micayla change, Remy takes comfort in the company of Dog Beach. She hatches a plan to bring her friends closer and recapture the Seagate magic.

**JUVENILE FICTION**

*Operation Fireball* by E. S. Farber — Fish Finelli and his friends really want to beat Bryce Billings in the Captain Kidd classic boat race, but what are his chances with a 1970s whaler that needs a new motor? Book two of Fish Finelli.

core values, physi- school.
