LIBRARY CORNER

Owasso Library

Lucky Diaz and The Family Jam Band will perform Monday, June 9, from 1:30-2:15 p.m. and from 2:30-3:15.

This program is for ages 5-12. On Thursday, June 12, from 3:30-4:30 p.m., PAWS for Reading is scheduled. Kids ages 5-12 are invited to come read a story to a registered therapy dog.

Our regular storytimes continue throughout the summer on Tuesday and Wednesday mornings. My First Storytime for newborns through 2 year-olds and their caregivers is from 9:30-9:50 a.m., followed by Preschool Storytime for 3-5 year-olds from 10:00-10:30 a.m.

Children ages 5 and under and their caregivers are urged to stay for Stay and Play from 10:30-11:00 a.m. Playing is a component of early literacy.

All three Summer Reading Programs are off to a great start. Bring your children in and get them signed up. They need to read eight books (or have them read to them) and come to the library four times.

Starting June 16, those

end until Aug. 2, so there's plenty of time to participate. Tween/teens have the choice of signing up online or by coming to the library to pick up a reading log. They need to read six books to earn a lava pen and food/fun coupons.

Those who complete either of these reading programs will be entered into the drawing for big prizes.

This summer we also have a reading program for adults. You've been asking for it and we listened. Read or listen to four books and receive a coupon for a Panera bagel.

It's pretty simple. Read your books, then go online, take a short survey, print the completed form and bring the form in and get your coupon. Adults will also be entered into a drawing for bigger prizes.

Explosion rocks Owasso neighborhood

From Staff Reports
news@owassoreporter.com

Surrounding homes near an explosion were evacuated in the northern part of Owasso Saturday morning as Owasso firefighters and police responded to a home in the 11500 block of North 131st East Avenue, Owasso police confirmed.

According to police information, the explosion occurred inside the home where the male resident reportedly suffered severe trauma to his hands and the female occupant also received injuries, police say.

Owasso Police reported that a 13-inch homemade mortar shell blew up. Police also report that there was a large quantity of gunpowder involved. The home also had minor damage. Police believe

the device was homemade after initially believing it was a manufactured device.

The Owasso Police Clandestine Laboratory Team found materials in the home that were similar to those materials used to manufacture items like pipe bombs and similar explosives. Owasso Police handled in the Tulsa Bomb Squad to handle some of the gathering of evidence.

Two Owasso officers were overcome by fumes from the explosion when they first arrived on the scene, a police spokesman confirmed, and were treated at a local hospital and released. Police arrived on the scene at approximately 10:30 a.m. Saturday, May 31.

Officials from the Bureau of Alcohol, Tobacco and Firearms (ATF) were on the scene Saturday to investigate, sources confirm.
