Applications are now available for our Teen Team volunteer program.

Teens between the ages of 13-15 who enjoy children and like reading can pick up an application at any library or visit teens.tulsalibrary.org/tccl/teen-team.

Applications should be returned to the branch where you would like to work. Our teen associate will set up interviews, hire and train those who are "hired."

Applicants should be able to work a few hours most weeks of the summer during our Summer Reading Program. This volunteer experience gives teens insight into the working world; often teen teamers are hired as shelvers when they reach 16 years of age. Call (918) 549-7624 for further information.

OHP reminds drivers not to drink and drive while on Spring Break

From Staff Reports
news@owassoreporter.com

Throughout the month of March, universities and high schools across the state, will be letting out for Spring Break.

The Oklahoma Highway Patrol wants to remind students of the dangers of drinking and driving. Many students will be traveling by vehicle to different party locations.

OHP and other law enforcement agencies will be working to remove drunk drivers from the road.

Educating students of the dangers of consuming alcohol and getting behind the wheel of a vehicle is one of the best ways to avoid a potential fatal accident.

Drinking and driving is a deadly combination which can affect many young men and women. The No. 1 cause of death of college-aged students is motor vehicle crashes with nearly 30 percent involving alcohol.

Things to consider to help keep you safe during your Spring Break:

- No matter how much you drink, never drive.
- Don't let anyone get behind the wheel of a vehicle if they have been drinking. (Friends Don't Let Friends Drive Drunk)
- Always have a designated driver or find alternative options to travel.
- Have a plan before you go out so you can make it home safe.
- Keep these ideas in mind. Be safe and enjoy your Spring Break.
