Holiday Store to benefit Central Library renovation campaign

From Staff Reports
news@skiatookjournal.com

TULSA — Instead of getting out in the hustle and bustle of busy shoppers on the go, you can do your holiday shopping from the comfort of home at the Tulsa City-County Library's Holiday Store.

Every purchase you make through the Holiday Store will generate proceeds for the library's campaign to renovate the Central Library.

Shopping at Amazon this holiday season? Use the Holiday Store's special link to Amazon.com. Books, Kindles, toys, kitchen appliances and home décor — any and all items purchased through this link will generate a donation for the Central Library

campaign.

For just \$25, you can give the bibliophile in your life the perfect gift — a Libraries Change Lives T-shirt, plus an annual membership to the Friends of the Tulsa City-County Libraries — and get the satisfaction of knowing you helped the Central Library campaign.

The Holiday Store also features other Libraries Change Lives merchandise from Café Press, including sweatshirts, hoodies, baseball caps, tote bags, mugs, aprons and more. Tulsa City-County Library logo gear and Buddy Bookworm items are available as well.

You can visit the Holiday Store at www.tulsalibrary.org/holidaystore.

Library offers free eBooks

Did any of you partake in the after-Thanksgiving shopping activities?

Perhaps you bought a new tablet or smart phone and want to use it to read our free eBooks. If you'd like to do this from the comfort of your home, you can log on to our website, www.tulsalibrary.org, and look on the right-hand side of the webpage.

There should be a gray, white and red box titled "download eBooks & audiobooks." Click on that box and it will open another webpage that will give you access to the digital catalog (digital items only), as well as helpful tips on getting started with your device.

You can find out if your device is compatible

with our selection of many other useful tips. If any of this is confusing and you just don't want to figure it out, you can come by the Skiatook Library and we will be glad to help you.

If you are not interested in using eBooks, we are more than happy to help you find a regular book you can hold in your hands. Maybe you haven't been to the library in a while and you aren't sure if your card is still active.

Please feel free to come in and we can get you fixed up as long as you have your photo I.D., or bring a parent with you if you are younger than 18.

If you don't find what you are looking for we would be glad to help you order an item from any of our 24 other locations and it will be delivered here for you at no
