# Owasso Public Library closed Nov. 11 for Veterans Day

By Barbara Barnes  
Branch Manager  
Owasso Library

*Valentino Pier* by Reed Farrel Coleman — PI Gulliver Dowd finds a street kid's missing dog only to discover that the boy has been attacked and left for dead. Mystery

Tulsa City-County Libraries will be closed Monday, Nov. 11, in observance of Veterans' Day.

Take this opportunity to thank a veteran for his service to our country.

On Thursday, Nov. 14, from 4-5 p.m., we'll have therapy dogs here to listen to children read. PAWS for Reading is for ages 5-12.

Our Mother-Daughter book club is from 6-7 p.m. Thursday, Nov. 21. Call the library to sign up or stop by to pick up a book.

### TWEEN FICTION

*Fallout* by Todd Strasser — it's 1962 and people are feeling apprehensive about a nuclear war. Scott's dad takes it all seriously and has made a shelter for his family of 4. He has stored supplies to last 2 weeks, the supposed safe time to come out of the shelter. But those neighbors who didn't prepare are now in the shelter. How long will supplies last for 10 people?

### ADULT FICTION

*The Yonahlossee Riding Camp for Girls* by Anton Disclafani — Thea Atwell is banished from her home and sent to an equestrienne boarding school where she must learn about politics and competition for friendship. She has to deal with her responsibility in the events of the past year.

### JUVENILE FICTION

*The Ha-Ha-Haunting of Hyde House* by Tony Abbott — a ghost-sighting at a creepy haunted house means the Goofballs have a new silly mystery to solve. (Goofballs, book 5)

### JUVENILE NONFICTION

*Sherlock Holmes and Frankenstein's Diary* by Barry Grant — Sherlock Holmes is on the trail of Gerald Gurloch, the tabloid king who has corrupted the police, blackmailed the government, and entangled Britain in a nightmare where no person seems safe from hacking.

*What's Up, NASA?* — this 30 minute DVD tells about Mars rover Curiosity and its drilling into rock target "Cumberland".

*World Atlas* edited by National Geographic Kids has beautiful photographs and text that help the reader understand our world.
