Shelf to Table: Culinary Resources to Savor

From cooking to baking, the library has a buffet of resources to help new and seasoned chefs find success in the kitchen. With a diverse range of physical cookbooks, digital recipes and food-focused magazines, there's something for all tastes and diets. Using a TCCL card, your next great meal is just a checkout away!

Cookbooks Galore

Our vast cookbook collection offers something for every palate and skill level. Are you unsure of how to use your new slow cooker or Instant Pot? We have books specific to both appliances. Do you need help finding tasty meals for a particular diet, like keto or vegan? We have those, too!

Explore cookbooks at any TCCL branch by looking through the 641 section of the nonfiction books. If you need help finding the nonfiction items, just ask a staff member.

Check out Page 5 for lists of catalog items on subjects like dinner parties, meal prepping and more.

AtoZ World Food: Your Digital Recipe Book

Learn about other cultures through food! AtoZ World Food is a free online resource featuring over 7,000 recipes from 174 countries, as well as information about each country's national and regional cuisine, dining etiquette, special occasion foods and more. Visit www.tulsalibrary.org/databases or scan the QR code to start exploring.

Use AtoZ World Food to start a meal club with friends! First, set a date and pick a country. Then have everyone select a dish to make and bring to dinner alongside a fact about that country or its cuisine. Each country in AtoZ World Food offers recipes in categories like appetizers, main courses, side dishes, desserts and more.

Check out this sample menu featuring classic Argentinian foods:

- Appetizer: carbonada en zapallo (vegetable soup served in a baked pumpkin shell)
- Main Courses: matambre arrollado (thin steak rolled with vegetables and herbs) and fugazzeta con queso (Argentinian-style pizza)
- Sides: tomates rellenos (stuffed tomatoes) and chimichurri (classic herb-based sauce)
- Dessert: alfajores de maicena (cornstarch-based cookie sandwiches with dulce de leche)

Food Magazines on Libby

Stay up-to-date with the latest food trends and get culinary inspiration from food magazines available on Libby! With this free app, issues and series like *5-Ingredient Meals*, *Smoothies & Bowls*, *Air Fried Food*, *Cakes & Bread*, *Garden-Fresh Recipes*, *One-Pot Cooking* and many more are just a tap away.

Pro tip: To easily find relevant magazines, click the filter button on the homepage. Select "magazine" under Format and then "food & wine" under Subject.

Use Libby online at www.libbyapp.com or download the app from your device's app store.

Don't Forget Desserts

Wow your friends and family, or even yourself, with satisfying sweets. To find physical books on baking, browse the 641.86 section of the nonfiction area.

Explore more print and digital items, including DVDs, by searching for "baking" or for specific baked goods like "cakes" or "pies" in our catalog. Find inspiration for your next dessert with items like *The Great British Baking Show*, or take your skills to the next level with the "Cake Decorating" course in Universal Class, accessible at www.tulsalibrary.org/online-learning.

Plus, visit Nathan Hale Library to borrow a fun specialty item: a cake pan! Simply choose a design, bake your masterpiece and return the pan when you're done.

Build A Reader Storytimes

Help your baby and young child get ready to read! Pick the storytime that's right for you! Seating may be limited.

Babies • Learn and enjoy songs, stories and activities that are just right for your little one at this lapsit storytime for newborns to 2-year-olds and their caregivers.

Babies and Toddlers • Ready, set, READ! This beginning storytime focuses on helping your baby or toddler develop important literacy skills while emphasizing the fun of reading.

Bilingual • Enjoy stories, songs and activities in English and Spanish.

Family • Bring the whole family for this 0-to-5 storytime! There's something for everyone – simple songs and books for the little ones, more interactive stories and activities for your older children.

Preschool • The best in children's literature, songs, games, finger plays, rhymes and other reading-related activities are shared with your preschooler.

Toddlers • Join us for songs, stories and movements geared to your toddler.

Stay and Play • For babies and young children, playing is learning! Join us after storytime for games, toys and activities that foster critical early literacy skills.

PAWS for Reading

Registered therapy dogs are excellent listeners. Elementary schoolers are invited to read their favorite books to a furry, four-pawed friend. Each reader will receive a free book provided by the Raymond and Bessie Kravis Foundation through the Tulsa Library Trust. Registration is required.

Una guía mensual de eventos, servicios y recursos de la Biblioteca de la Ciudad y Condado de Tulsa

La Importancia de la Herencia en la Comida

Escrito por Ana Davis, asistente bilingüe de servicio al cliente, Biblioteca Regional Martin

Mientras yo crecía en México., los alimentos que comía en casa eran hechos por mí mamá, ahora que cocino para mis tres hijos, todo lo que cocino es un reflejo de la cultura en la que nací. La

comida es una parte fundamental de cualquier cultura y puede unir a las personas y crear un sentido de comunidad. La comida cuenta la historia, las tradiciones y los valores de un pueblo, y

proporciona una visión de su forma de vida. Cuando aprendes sobre la comida de una cultura, obtienes una comprensión más profunda de esa cultura y de las personas que la integran.

Para mí la comida es un vínculo entre el pasado, el presente y el futuro de una cultura. Difundir los sabores y las historias de la comida es una forma de estrechar lazos y unir generaciones. Desde mole en México hasta arepas en Colombia, ceviche de Perú, mofongo de Puerto Rico y pupusas de El Salvador son estas tradiciones culinarias que cuentan una historia de diversidad y sabor. Perfectamente me acuerdo cuando yo llegué a Tulsa, no había todas las tiendas de productos hispanos que hay hoy en día y que ahora puedo comprar todos los ingredientes para cocinar una comida típica, había muy pocos restaurantes y sobre todo no había carros de comida ambulante como las hoy; que puedes encontrar desde popusas, tacos, arepas, frutas y más.

Tu biblioteca local puede ser un gran recurso para encontrar libros de cocina y aprender nuevas recetas, las bibliotecas de TCCL tienen una amplia selección de libros de cocina, desde platos tradicionales americanos hasta exóticos platos de la cocina internacional, también si te interesa la repostería, la cocina a la parrilla o la cocina vegetariana. Checa nuestra base de datos www.tulsalibrary.org/atoz-world-food aquí encontraras recetas de otros países. Una de las principales formas en que la biblioteca puede ayudarte con los libros de cocina es proporcionándole acceso a una variedad de cocinas y técnicas culinarias diferentes; si quiere ampliar sus conocimientos culinarios y experimentar con nuevos sabores, la biblioteca es un

buen lugar para empezar. Puedes hojear distintos libros de cocina y encontrar recetas que despierten tu interés, para luego llevártelas a casa y probarlas en tu propia cocina.

TCCL también puede ayudarte a ahorrar dinero en libros de cocina en lugar de comprar libros que sólo utilizarás una o dos veces, puedes pedirlos prestados gratis, también con nuestros servicios digitales que ofrecemos puedes encontrar videos, revistas, libros digitales y más; así de este modo, puedes probar nuevas recetas sin tener que invertir en un libro de cocina que puede acabar acumulando polvo en tu estantería. Además, las bibliotecas suelen tener recursos que van más allá de los libros de cocina y que pueden ayudarte a cocinar.

Por ejemplo, si estás pensando en adoptar una dieta con beneficios nutricionales, checa nuestra biblioteca de semillas www.tulsalibrary.org/research/food-and-gardening aquí encontraras muchos consejos, enlaces y libros para que aprendas más sobre como crear tu propio jardín y siembras desde maíz, frijol, calabaza, tomates y granos que son algunos de los alimentos básicos que proporcionan deliciosos sabores, si no también poderosos beneficios nutricionales.

Ahora si tu meta es emprender tu propio negocio de cocina, como un restaurante o un carro de comida de ambulante visita www.tulsalibrary.org/research/business-center que ofrecen una gran cantidad de

información sobre distintos temas, consejos o asesoramiento sobre como comenzar tu negocio, además puedes encontrar otras asociaciones que te pueden guiar con toda la ayuda que necesites.

En general, las bibliotecas de TCCL puede ser un recurso valioso para cualquier persona interesada en la cocina. Con su amplia selección de libros de cocina y recursos adicionales, la biblioteca puede ayudarte a mejorar sus habilidades culinarias, ampliar su repertorio de recetas y ahorrar dinero en libros de cocina caros. Así que la próxima vez que busques nuevas recetas que probar, no olvides echar un vistazo a lo que te ofrece TCCL.

Quiero adoptar una dieta más saludable. ¿Puede ayudarme la biblioteca?

¡Por supuesto que podemos ayudarte! Disponemos de una amplia variedad de libros de cocina, revistas o videos; Además, a través de nuestros servicios digitales como **Hoopla**, **CloudLibrary** o **Libby**, podrás encontrar más artículos que te pueden ayudar.
